Dear Mr. Springer,

Some people come into our lives and quickly go. Others stay for a while and leave footprints on our hearts. And we are never, ever the same. Such is the case with our wish children – so short a life, but touching so many, and affecting lives in such a short period of time.

On behalf of our Wish Children and their families, I would like to thank you for your most generous contribution of **\$500.00 dated 7/9/2009**. It is only through the generosity of supporters such as you that we are able to continue fulfilling the wishes of so many unfortunate children.

With the help of our incredible supporters, Children's Wish Foundation is able to create a lifetime of magical memories for our Wish Children. Adrian, 13 years old, who struggles daily with Cystic Fibrosis, spends so much time in bed that he wishes for an Xbox 360 gaming system to help pass the long days. 12-year-old Florencia, who suffers from Leukemia, wishes for a laptop computer and an Apple iPod so she can stay in touch with friends during long stays at the hospital. Treyton, a 9-year-old boy who was diagnosed with Lymphoma, wants to meet Mickey Mouse and other favorite characters at Disney World. Magical moments such as these will be made possible because of your generosity and kindness of heart.

We are always honored when our supporters ask to learn more about Children's Wish Foundation International and the special children we serve. For more information, please visit our website at www.childrenswish.org.

I hope that you will display the enclosed certificate proudly, thinking often of the many smiles you helped make possible. You truly have given a wonderful and lasting memory to a seriously ill child. Thank you again for your generous support. Most of all, thank you for caring.

Very truly yours,
Children's Wish Foundation International, Inc.
