

Leon's Transmission Services is proud to announce their Holiday Special!

For the months of November and December, Leon's Transmission Services will donate half the proceeds of all transmission services to Operation Gratitude.

Operation Gratitude is an all-volunteer organization which sends care packages, of items and letters, to individually named U.S. Military deployed in hostile overseas regions. Its mission is to lift morale and to express the appreciation and support of the American people.

Last Spring, Leon's "Patriotic Drive" raised over \$4,000.00 and supplied over 1,000 boxes of Girl Scout cookies to the deserving troops.

Please help us this season! Call and make an appointment today to service your transmission and, at the same time, support our troops.

Letter from Lcpl Ford re: Operation Gratitude

*Offer expires December 31, 2008.
